STT is providing equipment and labor to help the Town with road clean-up and will remain available until no longer needed. Per Dane County's request, the Patrolman and STT are documenting all road damage, including taking before/after pictures. The Patrolman reported that the deepest gullies have been rough filled; but, that many that are left run under the road. Stone alone has already come to nearly \$12,000. Materials and labor cost are already at original estimate/TB approved amount (\$20,000). Patrolman's revised estimate to \$25,000 for debris clearance and another \$25,000 for road repair (\$50,000 in total). If cost of necessary repairs exceed budgeted amounts, Town Board will discuss reallocating funds and/or taking out a loan. Revised estimates will be submitted to Dane County. Fagan will discuss bridge/culvert inspections with Dane County. **MOTION** Fagan/Rosenbaum to authorize Patrolman up to \$50,000 (an increase from \$20,000) to use for materials and extra help to repair storm damage of roads. **MOTION** carried 3-0
