MISCELLANEOUS INFORMATION

- For building permit questions (is it necessary, what will it cost, etc.), please contact Springdale Building Inspector **Tracy Johnson** (contact info on reverse).
- Springdale receives many inquiries regarding disposal of yard waste. The Town does not operate a yard waste collection site. State law prohibits yard waste from entering landfills via your trash. Please contact Dane County to determine how to dispose of grass clippings, weeds, leaves and other organic material.
- A chart of fees for Town services is available at townofspringdale.org/forms-fees.
- A great resource for Springdale property owners is AccessDane. Available information includes assessment and property tax summaries, property values, maps, tax bills, zoning information and more.
- Residents are welcome and encouraged to attend monthly Town Board meetings! Meetings include a designated time for discussion of non-agenda items, during which residents may discuss Town matters for a short time (not longer than 3-5 minutes). *No immediate Board action will be taken on items brought forth for discussion during this time.* Contact the Administrator/Clerk to have an item added to a future agenda for Board consideration/action.
- Each household is assessed a mandatory fee for trash and recycling pickup which appears as a special charge on your tax bill. See insert for pickup information.

Your help is appreciated in protecting our roads! In the event of a road hazard requiring immediate attention, call Patrolman Devin Dahlk at (608) 444-5707. For other road-related concerns, please call the main Town line to leave a message for Devin. Springdale posts weight limit signs year-round; if you see a violation, please call or send an email to townofspringdale@mhtc.net with the location, date, time, truck license plate number & trucking company.
